## DYNAQUEST XL DQ380XL

Just as couples sometimes downsize their homes when the kids move out, many people are interested in downsizing from the bulky, bus-style motorhomes to something more manageable. If this applies to you, may we recommend the DynaQuest DQ380XL. Extraordinary styling and luxury are everywhere. And four people can live and sleep comfortably thanks to the queen size bed in the rear, the FlexEZ bed/sofa and the convertible dinette.

## DYNAQUEST XL DQ380XL

The elegant interior design scheme offers sculpted carpeting, solid wood cabinetry and flooring and a brand name Corian® countertops. Style reigns supreme in the spacious and convenient DQ380XL.

The spacious rear bedroom contains a queen size bed, hardwood nightstands and a large wardrobe for storage.

The contemporary cockpit with lots of leg room features cruise control, tilt and telescoping steering column, glass and overhead directional reading lamps.

The DynaQuest XL offers a surprisingly large amount of storage. An even bigger surprise is the extra storage available in the rear trunk.
