

## GRAND SPORT GT GC459GT

If opposites attract, the GC459GT is very attractive indeed. It oozes masculinity, which is what toyhaulers do. With a spacious 11-12 foot garage and heavy-duty lift gate to store your toys. But because it is built by Dynamax, it also offers more elegance than you would expect to find in a toyhauler. With color-coordinated ultraleather upholstery, rich, upscale hardwood floors and Corian countertops. One look at the GC459GT and the attraction will be obvious.

**GRAND SPORT GT GC459GT**

---

Even with the extra space for the garage, the GC459GT is still as spacious and luxurious as you imagine. Plush ultraleather seating allows you to travel in comfort. And a 23" LCD TV with a Bose 28 DVD/CD Surroundsound® system will keep you entertained until you arrive at your destination.

This toyhauler features an 11-12 foot garage and 2,200-lb hydraulic liftgate/door so you never have to leave home without your toys again.

To keep your toys safe and secure during transit, the GC459GT offers adjustable track tie-downs in the garage.

Optional bench seats fold up and out of the way as needed, and overhead cabinets and optional side organizers provide plenty of places to store your gear.

The roomy cockpit contains a standard CB Radio, a back up camera, AM/FM/CD player and an optional... Plus, the driver and passenger ride in comfort in Lexington® ultraleather chairs with air/swivel pedals.

A 32-inch LCD flat screen TV is a most wanted option in the garage.
