

GRAND SPORT ULTRA GC400UL

For those looking for a motorhome that appeals to the muscle car lover in all of us, may we introduce the new Grand Sport Ultra GC400UL. Not only does it look better, ride better and haul better than about any other motorhome out there, serviceability, safety and power are equally impressive. A monster Mercedes Benz® MBE 4000 engine and its 450 horses and this Ultra exudes pure muscle. It offers an incredible twenty tons of towing power.

GRAND SPORT ULTRA GC400UL

The GC400UL reaches a new level of luxury. Superior grades of fabric, silhouette power shades, cu. ft. residential style refrigerator with stainless steel double doors, Granite® countertops and Travertine® tile flooring are features you would find in the finest homes but can now also be found in the GC400UL.

The queen size Comfort Select® Dual Control bed in the large rear bedroom is so comfortable you'll think you're dreaming. You'll also find plenty of storage inside the gorgeous cedar-lined wardrobes.

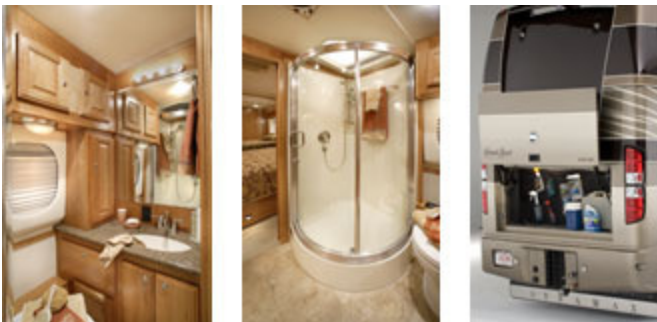

Luxury features come standard in the GC400UL. They include stylish ultraleather upholstery, plenty of storage, rich hardwood wardrobes with cedar linings, a Bose® 38 DVD/CD Surroundsound® system and top-of-the-line televisions both inside and one outside.

The galley features Granite® countertops and Travertine® stone tile flooring that are not only gorgeous but are strong and durable to last for years on end.

The spacious cockpit features overhead storage, GP navigation system, CB radio and Flexsteel® Bostror ultraleather driver and passenger chairs that adjust your specific comfort with air and swivel pedestals.

(1 & 2) The roomy bathroom features Travertine® stone tile flooring, a gorgeous Granite® lavatory with Nickel® accessories, a one-piece fiberglass shower with skylight and lots of cabinet space for storage. (3) You'll find a surprisingly large amount of storage. An even bigger surprise is the extra storage available in the rear trunk.
